Code of Conduct

We're keen to make sure that our event is great for everyone, so we present a code of conduct for the weekend, which we hope you can follow.

- Be respectful: do not engage in exclusionary or elitist behaviour or language against anyone based on their race, gender, disability, mental health, sexual orientation, level of education or age. Don't make exclusionary jokes. Don't even make them "ironically".
- Don't harass people. Unconsented physical contact or sexual attention can constitute harassment, even if it wasn't intended to cause upset.
- There is no expectation or pressure to drink alcohol. Don't question anyone's choice of drink. Alcohol may only be consumed inside the Koru Lodge; please drink responsibly and do not open carry around the campground.
- If you're taking photographs, video, or other recordings, please make sure everyone being featured is happy for you to do that.
- Masks are not mandatory, however we recommend wearing them when practical to help keep everyone safe.
- Please adhere to the Spencer Park Code of Conduct.

Attendees violating these rules may be asked to leave the event and will not be welcome back to our events in future.

If you are subject to, or observe, any harassment, or have any other concerns — please speak to a member of the organising team or email the organisers (nzgathering@mathsjam.com). Reports will be dealt with discreetly and in confidence.

Please be aware of your surroundings and the effect your words and actions have on the people around you. We want everyone to have a great time, and treat each other with respect.
